**My faith is \_\_\_\_\_ as the Apostle's faith!**

Whether I am a \_\_\_\_\_ or a \_\_\_\_\_, my faith is just as precious as anyone else's.

John 17:15-16

The difference between Christian and non-Christian is not \_\_\_\_\_, but *who you are*.

Ephesians 4:11-13

The Pastor's job is purely to \_\_\_\_\_ God's people for service, primarily through \_\_\_\_\_!

His divine power has given me \_\_\_\_\_ I need for life and godliness – that includes my life from 9-5.

Even my \_\_\_\_\_ job is a "\_\_\_\_\_ job" if I am truly a follower of Jesus.

**What are the special responsibilities of people who work in secular jobs?**

- Providing for ourselves so we are \_\_\_\_\_ on others (1 Thess 4:11-12)
- To win the \_\_\_\_\_ of "outsiders" (i.e. to show that followers of Jesus are respectable) (1 Thess 4:11-12)
- Providing for \_\_\_\_\_ who are in need (Eph 4:28)
- Providing for \_\_\_\_\_ and Teachers (1 Tim 5:17-18)
- To demonstrate that God is relevant \_\_\_\_\_ (1 Cor 7:24)
- To accomplish real work and not waste away with \_\_\_\_\_ (2 Thess 3:11-12)
- To \_\_\_\_\_ our children how to do right (Prov 22:6)
- Live among non-Christians in a way that makes God \_\_\_\_\_ (Titus 2:10)

**Main Point: Secular jobs are just \_\_\_\_\_ as Christian jobs, as long as we \_\_\_\_\_ into our 9-5 lives.**

**REMEMBER: I have a \_\_\_\_\_ purpose than my just "doing my job." My purpose is to achieve \_\_\_\_\_ purposes while I do my job.**
