George Muller

I have never had a greater awareness of the Lord's presence than when after breakfast nothing was left for dinner, and then the Lord provide the dinner for more than one hundred people; or when, after dinner, there was nothing for the tea, and yet the Lord provided the tea – all this without one single human being having been informed about our need. One thing is certain – we are not tired of doing the Lord's work in this way.

While expressing my worship to God by giving financially, I will not _____.
God will _____.

Money can be an _____ to worshipping God.

Jesus was so hardcore about money being an obstacle to our worship he told a man to _____.

How we use our money is a _____ for our spiritual life.
