**Sermon: Feeling God's Love**

**Bible Verses: 1 John 4:7-12**

**By: Jeff Piepho**

**Date: 11-19-2011**

\_\_\_\_\_ is defined by how God loves us, NOT by my \_\_\_\_\_ to Him.

I should be able to \_\_\_\_\_ God's love.

Command: We are \_\_\_\_\_ to love one another.

**God's love is made complete in us, when \_\_\_\_\_.**  
**Complete means, "reaching the intended goal."**

We literally feel \_\_\_\_\_ (and love) the most, when we are with the \_\_\_\_\_ God.

This was planned: God pronounced with Adam and Eve that it was \_\_\_\_\_ for us to be alone. We \_\_\_\_\_ each other.

**PRACTICAL APPLICATION:**

1. Be an \_\_\_\_\_ part of the church (we're talking building \_\_\_\_\_ here, it takes \_\_\_\_\_).
2. Spend time together.
3. Be willing to \_\_\_\_\_ God's love for other people, and \_\_\_\_\_ it too.
4. Be thankful for each other's presence \_\_\_\_\_.

**Go Deeper! (Take it home and work on this throughout the week)**

**Day 1: Read Romans 12:4-8, it talks about how God created us. How are we supposed to interact with each other?**

**Day 2: Read Romans 12:5 a few times. Write down implications of this. What is something great and something difficult about each of those things?**

**Day 3: Read Ecclesiastes 4:9-12. Listen to Pastor Jeff's sermon "The Benefits" on Facebook or [www.Salina-Revolution.com](http://www.Salina-Revolution.com)**
