JESUS	US
Jesus is _____ over all creation.	I am _____ to Jesus.
Jesus created _____ things.	I was _____.
Jesus _____ existed and holds the universe together.	I am in need of being _____ together during my short life.
Jesus contains the complete _____ of God.	I cannot _____ God fully.

**Jesus, God, is very different than we are. There is no \_\_\_\_\_ him.**

Because there is no one like him, God is \_\_\_\_\_ to his position as God!

In other words: "God cares for \_\_\_\_\_ more than he cares for \_\_\_\_\_."

Has God committed \_\_\_\_\_? No, because God has nothing \_\_\_\_\_ himself!

A question for myself: Do I love God because he made a big deal out of \_\_\_\_\_, or because \_\_\_\_\_ a big deal.

Everything was created _____ Jesus.	I was created _____ Jesus.
-------------------------------------	----------------------------

God's \_\_\_\_\_ for us is based in his commitment to his own magnificence and \_\_\_\_\_.

God's love is \_\_\_\_\_ because God **never fails and never changes!**

**Two things to remember:**

1. We must have the proper \_\_\_\_\_ of who \_\_\_\_\_ are, compared to Jesus Christ.
2. I can \_\_\_\_\_, because He loves me and His promises and his love will not fail. They are based \_\_\_\_\_ magnificence which does not change.
