Adam was made in the very \_\_\_\_\_ God.

- *the image of God represents Adam's (an our) \_\_\_\_\_, emotions, personality, \_\_\_\_\_, Spirituality, etc.*

Adam was not created with a \_\_\_\_\_. He was created **perfect**, so that any choice he made was \_\_\_\_\_.

Other than God Adam was given ultimate authority to \_\_\_\_\_ everything on Earth.

Adam was given \_\_\_\_\_ and his \_\_\_\_\_ for existence by God himself: be fruitful, increase in number, fill the Earth and subdue it. Rule over all creatures.

By God's own declaration, his creation, especially Adam, was \_\_\_\_\_!

\_\_\_\_\_ : He was given everything, yet Adam did the \_\_\_\_\_ he was commanded not to do.

Because Adam sinned work is \_\_\_\_\_, the Earth itself has a curse, life is \_\_\_\_\_ and all humankind is doomed to \_\_\_\_\_!

Adam's sin had terrible consequences for himself and \_\_\_\_\_ connected to him. \_\_\_\_\_ sin in a void.

*Even Adam's son was \_\_\_\_\_ because Adam's sin invited murder into the world.*

God sees the depth of our failures, and \_\_\_\_\_ something \_\_\_\_\_ from the tragedy.

**Though \_\_\_\_\_, God will \_\_\_\_\_!**

God acts to \_\_\_\_\_ Adam's \_\_\_\_\_.

God protected Adam from the \_\_\_\_\_ consequences (eating the Tree of Life), so that Adam was \_\_\_\_\_ to be redeemed.

**God promises to \_\_\_\_\_ for the redemption of all \_\_\_\_\_, right after the sin that doomed us!!!**

God even gave Adam \_\_\_\_\_, redeeming another painful situation.
