Why do we tell people about Jesus? \_\_\_\_\_.

Jesus says that my "fruit" - what comes out of my life - shows \_\_\_\_\_  
\_\_\_\_\_ of person I really am.

THIS IS FRUIT: The things I \_\_\_\_\_ (and \_\_\_\_\_) are an  
\_\_\_\_\_ of what is happening in my heart.

:: In Scripture (ancient times) the heart represents \_\_\_\_\_ and  
resolve, not just \_\_\_\_\_::

It's good to speak to people about God (evangelism), but what is our overflow?  
\_\_\_\_\_?

The root of the word "gospel" actually means "\_\_\_\_\_"

I should tell the gospel because God has \_\_\_\_\_, and the  
happiness about that overflows into my \_\_\_\_\_, and my love for  
other people compels me to help them.

We should say: \_\_\_\_\_ that the Lord is good; blessed is  
the man who takes refuge in him. (Psalms 34:8)
