**Bible Verses: 2 Kings 6:8-23**

Sometimes, \_\_\_\_\_ are against me! The world is messed up, and sometimes, I find myself on "the losing" team wondering what the heck \_\_\_\_\_ is doing.

Where is \_\_\_\_\_ in crazy times, and how do we \_\_\_\_\_ - a big, forever \_\_\_\_\_, not just temporarily.

Israel is losing \_\_\_\_\_ and is in rough shape!

Elisha, the prophet, protected Israel by \_\_\_\_\_ about the dangerous traps time and time again.

The King of Aram decided to fight directly against \_\_\_\_\_.

Elisha's servant sees the huge army ready to get them \_\_\_\_\_.

The servant's first reaction wasn't, "This is \_\_\_\_\_" and I'm not very different, usually.

Elisha \_\_\_\_\_ his servant's \_\_\_\_\_ to \_\_\_\_\_ God's army. Soldiers, horses and chariots of fire all around!

**"God is \_\_\_\_\_, not \_\_\_\_\_."**

**GOD WAS NEVER \_\_\_\_\_, EVEN THOUGH NOBODY  
SAW HIM \_\_\_\_\_ UNTIL THEN.**

God has not, and never will, \_\_\_\_\_ what is \_\_\_\_\_!

### BIG QUESTIONS

1) Will \_\_\_\_\_ that God knows what he is doing, and that he has "an army" \_\_\_\_\_?

2) \_\_\_\_\_? If I am on God's side, I can trust he will work it out right.

GOD \_\_\_\_\_ WINS. I must \_\_\_\_\_ in Him and act in a way that he can \_\_\_\_\_.
