*FROM LAST SESSION:*

The words I use \_\_\_\_\_ what type of person \_\_\_\_\_.

**What I \_\_\_\_\_ will be my \_\_\_\_\_ on judgment \_\_\_\_\_.**

**THE BIG QUESTION: HOW DO I HANDLE SOMEONE WHO GOSSIPS ABOUT, OR WRONGS ME?**

In God's Kingdom the ethos is essentially: " \_\_\_\_\_ first, \_\_\_\_\_ second, me last."

God cares so much about the "lost person" that \_\_\_\_\_ else to go after them.

First: Go to the brother who is sinning \_\_\_\_\_ just between the two of you.

- The goal is to help them, because we \_\_\_\_\_ for them.

Second: Go to them \_\_\_\_\_, with one or two other people.

Third: Go to the local Church \_\_\_\_\_.

The pattern is this: Sin. Humble, loving confrontation. Repentance. \_\_\_\_\_.

Jude 2

Mercy, peace, and love be yours IN ABUNDANCE!

Confronting sin properly is a \_\_\_\_\_ act, done with child-like humility, and the hope of gaining a brother or sister; it is not winning an \_\_\_\_\_ or proving someone wrong.
