Wisdom has been here _____, way before me, or my wisest _____.

Wisdom understands _____ and _____ it works.

Wisdom knows what _____ exist.

Wisdom _____ us and knows us (even refers to us kindly as children).

Proverbs 4:7

The beginning of wisdom is this: Get wisdom. Though it cost all you have, get understanding.

Though it cost me _____ I have, I must get understanding. In other words, it is _____ to _____ (or anything else) for the right thing. PERIOD.

God can rescue us from problems in this world. But, even if he _____, we choose to follow wisdom, obey God, and _____ what is _____!

Following wisdom isn't easy, but it is how we win _____.

God and wisdom are far far above my _____ understanding of how things work.

Even the message of Jesus _____ and rising is _____ to the world; but we who know, understand it to be the _____ ever.
