Wisdom has been here \_\_\_\_\_, way before me, or my wisest \_\_\_\_\_.

Wisdom understands \_\_\_\_\_ and \_\_\_\_\_ it works.

Wisdom knows what \_\_\_\_\_ exist.

Wisdom \_\_\_\_\_ us and knows us (even refers to us kindly as children).

Proverbs 4:7

The beginning of wisdom is this: Get wisdom. Though it cost all you have, get understanding.

**Though it cost me \_\_\_\_\_ I have, I must get understanding. In other words, it is \_\_\_\_\_ to \_\_\_\_\_ (or anything else) for the right thing. PERIOD.**

God can rescue us from problems in this world. But, even if he \_\_\_\_\_, we choose to follow wisdom, obey God, and \_\_\_\_\_ what is \_\_\_\_\_!

**Following wisdom isn't easy, but it is how we win \_\_\_\_\_.**

God and wisdom are far far above my \_\_\_\_\_ understanding of how things work.

Even the message of Jesus \_\_\_\_\_ and rising is \_\_\_\_\_ to the world; but we who know, understand it to be the \_\_\_\_\_ ever.
