Big question: How can we claim to be followers of Jesus, while also speaking _____ or not _____ with people created in God's image?

We are supposed to _____ our wisdom, not _____ it!

We show our wisdom, _____ (the way we live), and not by speaking with wise words often. We do this in the midst of people trash talking, or being hypocrites (*like the salt water and fresh water, from verse 11*).

(1) I must get rid of _____ (desiring other people/their stuff/etc).

(2) I must get rid of selfish _____ (caring for my goals, above other people).

Envy and selfish ambition are all about " _____ " and that's it.

Wisdom is FIRST OF ALL, _____. It is 100% unadulterated. It is _____ these qualities:

Wisdom is _____. Wisdom is full of _____ and _____ fruit.

Wisdom is _____. Wisdom is _____.

Wisdom is _____. Wisdom is _____.

WISDOM'S PRODUCTS ARE ALL ABOUT _____, AND _____ OTHER PEOPLE, NOT " _____ "!

The fights and quarrels I have come because I choose _____ (selfish ambition and envy) instead of _____!

The world's ways include selfish ambition, but God's wisdom chooses peace. If I reject wisdom, I'm committing _____ against God.

If I choose wisdom, GOD WILL _____! Imagine what can be done when God is the one lifting me up.

I really _____, because he is the embodiment of all that wisdom is. I can learn from him, and he can _____.
