Jesus says, "do not worry about your life" - but, _____?

Jehoshaphat, who trusts that God has goodness in mind for him, is being attacked by _____ different armies, possibly a _____ from God.

Jehoshaphat resolved _____ of the Lord. The whole nation fasted and searched for God!

Jehoshaphat's prayer starts with focusing on _____, not the _____.

Jehoshaphat's prayer and actions are condensed into one phrase: "our _____, [God]."

Eyes on God:

1. They stood and _____ to speak to them. "What does **God** want us to do?"
For me: What does GOD SAY about _____? Read his words, know what God wants.

2. They _____ God instead of worrying about their problem, even on the precipice of being attacked!
For me: _____ loudly because we are more concerned with _____, than what problems might occur if I obey.

3. They marched out to do _____ God asked, with faith in God and God's words.
For me: _____. I march out and do what God wants remembering to have faith.

THEY DIDN'T EVEN HAVE TO FIGHT!!! God fought _____, because their eyes were _____!

The epitome of faith is keeping your _____, believing what he said, and *obeying*. Marching to "meet the problem" God's way, while singing worship songs!
