Sermon: I Don't Trust Myself With My Soul

Bible Verses: Philippians 1:3-6

By: Jeff Piepho

Date: 2-19-17

God _____, _____, and will _____ my faith.

God, _____, paid for my sin, solved my eternal problem and offered forgiveness.

Problem: once we receive God's forgiveness, we try to "_____."

Instead of trying to _____/worry/_____ everything in my life (including my faith) myself, I should trust that God has got this, just like he alone took care of my forgiveness.

Problem: Sometimes we try to look _____ of people.

I should be _____ about my _____ and let God carry me.

- God uses the Church/_____ (people here) to carry me
- God uses circumstances to carry me
- God uses his _____ to carry me

Problem: We worry about tomorrow. "God is working on me now, _____..."

I must _____ and trust God will complete me. If I am a true believer, I am secure, so I must give all _____ to God and stop fighting him, worrying, or trying to run things myself.
