Growth Group prep (to learn about Growth Groups visit www.revo.church/growth-groups)

- List three things that keep you from being a more active citizen of God's Kingdom (with other people).
- Since God's Kingdom is more important than anything else, what can you do about the above 3 things?
- When you think about sharing about who you **really are** in a growth group what do you fear most? That people will reject you, think you're not very good, won't like you, need you too much, or something else?
- Write down three positive things that could **MAYBE** happen if you become an active, honest, and happy part of a growth group.
