It is totally _____ to go against God's ways. Therefore, we have to train ourselves _____ God.

Principle: if I honor the Lord with "the firstfruits of all my crops" he'll _____ with financial blessings.

To HONOR someone is when you put heartfelt _____ behind the belief about how immensely _____ they are.

Our King doesn't accept _____.

I must give God the first and best of _____ I own (every dollar).

The Jews gave three tithes (10%), for three reasons.

We should use this as a principle for what we support:

First Tithe (10%): for the Spiritual _____ (Number 18:19 and 1 Corinthians 9:14)

Second Tithe (10%): for the _____ (Lev 27:33 and 2 Corinthians 9:12-13)

Third Tithe (10%): for the _____, only given every three years. (Deut 14:28-29 and 1 Cor 16)

The Fourth: Any type of _____ giving

Take it home: I will honor God by _____ (10%-20%+) from all of my _____ to God through the Church; and I will give my first and best instead of my left-overs. Then, I will wait to see how God will make "my barns burst."
