**God is \_\_\_\_\_ . He is omniscient.**

Omniscience is a communicable attribute, meaning that we humans \_\_\_\_\_ it a little bit. We know \_\_\_\_\_ things, the difference is that God knows all things.

Jesus is \_\_\_\_\_ person who ever lived. He could teach \_\_\_\_\_ about theories of relativity!

**Practical Application:** One of the reasons I \_\_\_\_\_, and Jesus, is because his knowledge has no limit. Just like children are in awe of scientists who can explain big things, I am \_\_\_\_\_ a great and wise God whose knowledge baffles, \_\_\_\_\_, and captivates me.

**Practical Application:** I should \_\_\_\_\_, because he knows all things, including the outcome of what he's told me to do.

God does not \_\_\_\_\_ things. He already knows everything all at \_\_\_\_\_ time. In fact, God knows all things both real and \_\_\_\_\_.

We believe prayer is boring because we are telling God \_\_\_\_\_ so what can it change?

**Practical Application:** prayer does \_\_\_\_\_ things to happen because the reality that is \_\_\_\_\_ exist, will exist because God created the world where we \_\_\_\_\_ for it to exist.

What if my prayers contained \_\_\_\_\_, my desire, and I actually communicated to God because I know \_\_\_\_\_?

God \_\_\_\_\_ knows our prayers before we start; what if we \_\_\_\_\_ while praying because we don't know God's will?

Our obedience to God should be \_\_\_\_\_ on the fact that he is \_\_\_\_\_, and that he **knows** everything!
