Sitting on the winners _____, often feels awfully _____.

Just because I'm doing what is right doesn't mean people will _____. Lots of people hate what is right, and will be irritated _____ because I'm doing good things.

When we feel alone we are tempted like Elijah:

Temptation #1: Elijah feels alone, even though _____. The temptation is to let his _____ to him about BEING ALONE.

Temptation #2: Elijah _____ his problems are bigger than they are.

Temptation #3: Elijah is scared _____ about what will happen next.

Temptation #4: Elijah told his servant to leave. He felt alone, then he _____ himself!

Temptation #5: Elijah wants to _____... even wishes he was dead.

Temptation #6: Elijah believes the _____ about himself.

A better response to winning:

- Care about my _____ health.

- Listen to God, and make _____ right choice.

- Realize there are _____ who are on my side.

- Find someone who loves God, and actually _____ with them.
