Even "Biblical Families" were \_\_\_\_\_!

**BIG TRUTH:** Even though all families have \_\_\_\_\_, God can still do \_\_\_\_\_  
\_\_\_\_\_ and in my family, as I seek him.

\_\_\_\_\_ **predicts** \_\_\_\_\_.

\_\_\_\_\_ soil predicts my \_\_\_\_\_ success.

**How do I make home GOOD SOIL:**

I should "fix" (commit/solidify) the words of God in the front of \_\_\_\_\_.

I should know, put, and talk about God's word with my kids \_\_\_\_\_.

*A scientific study showed that a child \_\_\_\_\_  
\_\_\_\_\_ while growing up is the strongest influencer of that child  
following Jesus as an adult ("Nothing Less" by Jana Magruder).*

I should live out \_\_\_\_\_ God wants me to take: serving in the Church,  
showing mercy, removing drama, being gentle, etc!

*Scientific Study: #3 predictor of following Jesus as an adult is if they  
**regularly** \_\_\_\_\_ as a child.*

**Practical/Growth Group Questions:**

What \_\_\_\_\_ of soil have I developed in my own home?

Do I know the word of God \_\_\_\_\_ to talk about it "wherever I go"?

Am I talking about God's word \_\_\_\_\_ and helping my kids learn to \_\_\_\_\_ church well?
