Little things _____ **BIG DEAL.**

God communicates to us in ways that are:

_____, **NOT** _____

Jesus leaves room for his people to _____.

Jesus _____ people to consider, "What do I do now?" and to _____ about it rather than _____ people to make the right decision.

God is all about _____ when it comes to faith and following him. He'll give enough info for me to believe, but he'll also let me make _____ because he won't force me to do something I don't want to do.

Practical Application 1) Maybe I've been too _____, or too _____. I can follow God's example in parenting, relationships, at work, etc.

Practical Application 2) I have to pay attention and think about what God wants from me _____ because God isn't going to overwhelm me. Do I want to do what he wants or not?

You're either married now, or you might be someday (freak you out yet?). So come back next Sunday because we'll continue, "Little Things, Big Deals" with Episode 2 about **MARRIAGE**. Come and learn about the *two little things* that play a *big role* in making or breaking a marriage.
