The tongue, my words, has \_\_\_\_\_ over \_\_\_\_\_ and \_\_\_\_\_.

Every word \_\_\_\_\_.

**Every word \_\_\_\_\_.**  
**Every word will be \_\_\_\_\_.**

We will be judged for every \_\_\_\_\_ or \_\_\_\_\_ word we've said.

My words on Earth count for \_\_\_\_\_.

**GOOD ADVICE FROM PROVERBS:**

- It is often better to say \_\_\_\_\_ than \_\_\_\_\_.

- False \_\_\_\_\_ or lies get me and my friends nowhere, but \_\_\_\_\_  
(even when it stings) is much better than falsehood.

- When sharing truth, I must be \_\_\_\_\_ and harshness is usually uncalled for and \_\_\_\_\_.

**Where do I need to be more careful with my words?**

A REASON WHY MY WORDS ARE A BIG DEAL: My words will \_\_\_\_\_ me or \_\_\_\_\_ me  
when God judges the world!

Why do my words " \_\_\_\_\_ or \_\_\_\_\_ me"?  
Because they are \_\_\_\_\_ of what I really believe.
