Sermon: The Prayer Mentality

By: Jeff Piepho

Bible Verses: Psalm 46

Date: June 16, 2024

Psalm 46 will teach us that God shows up for those who trust him, and that is exactly how we recognize

_____:

"I see God _____ when I _____."

1. God is our _____.

"I see God as my refuge, when I am a _____."

2. God is our _____.

"I see God as my strength, when I am _____."

3. God is an ever-present _____.

"I see God as ever-present when I am _____ for him."

God wants me to " _____ " and know that he is [_____ : STRONG/PRESENT/MY HELP].

The Hebrew word for "know" in this verse means something like "you will _____".

"So "Be still and you will see God _____."

Write down at least a couple things that stop you from "being still" and waiting for God.
