

# Sermon: The Power of Money

By: Jeff Piepho

Bible Verses: 2 Corinthians 9:6-15

Date: March 30, 2025

\_\_\_\_\_ demonstrates where my heart really is. One power of money is that \_\_\_\_\_ who I am.

**Giving my \_\_\_\_\_ is worship \_\_\_\_\_!**

"I reap what I sow is true" - and it's connected to how much \_\_\_\_\_!

I should give what I've \_\_\_\_\_ to give – not reluctantly, not forced – but \_\_\_\_\_ and without holding back!

I shouldn't \_\_\_\_\_, because God is my provider so that I can do good works.

PROMISE: While expressing my worship to God by giving \_\_\_\_\_, I will \_\_\_\_\_.

PROMISE: Worshipping God through giving \_\_\_\_\_, allows the harvest of our righteousness to \_\_\_\_\_. Meaning, we'll accomplish \_\_\_\_\_ and become holier.

When I give, I get rewarded by God, and he'll always make sure I have enough, but best of all I am rewarded by \_\_\_\_\_ even more.

WE GET \_\_\_\_\_ FROM GOD, SO WE CAN BE \_\_\_\_\_ AND ACCOMPLISH GOD'S BUSINESS!

Giving my \_\_\_\_\_ increases my desire for Jesus, and helps \_\_\_\_\_ worship Jesus!

## Practical Applications:

If I believe God will take care of me, I can do the \_\_\_\_\_ (10% of all my income to God through Revolution Church) and if God doesn't provide for my needs I \_\_\_\_\_. I've gotta write, " \_\_\_\_\_ " on the card and make sure my name is on my gifts as I give.

I should have a \_\_\_\_\_ and **not give** to God because someone emotionally manipulated me or I just wanted to in the moment. I should make a plan and then \_\_\_\_\_.

As a \_\_\_\_\_, it's important to \_\_\_\_\_ the joy of giving and how God shows up. Talk to \_\_\_\_\_ about giving and why you give to the Church. Help them practice tithing, even with their birthday gift money, etc. If I have teens, I'll do that too (more teaching, less pressure), but also keep Dave Ramsey's Financial Peace University in mind. It's a great class – keep an eye out for it at Revolution!
